

SARDAR PATEL INSTITUTE OF PUBLIC ADMINISTRATION

SPIPA WEEKLY

12th July 2019

SPIPA Creatives

SPIPA Creative

SPIPA constantly strives to provide the best of training. It offers CCC+, GSWAN, M-governance and data management among other computer-related programs for employees and officers.

SPIPA is strongly committed to the development of human capital. It provides state-of-the-art training in public administration, #rural development, local self-government, disaster management, to optimize the competence of #Government employees, thus helping to realize the endeavor of ideal #governance.

SPIPA Training

Office Ethics and Personality Development

SPIPA's #training on 'Office Ethics and Personality Development' covers all the human aspects of working in unison as a team with mutual respect.
